Schedule Of Events:

FRIDAY, MARCH 9TH:

1:30 p.m. Tennessee Beef Agribition Show
6 p.m. Tennessee Shorthorn Banquet, Meeting,
and Junior Auction - Ryan's Buffet & Steakhouse,
405 S. Cumberland St., Lebanon, TN

SATURDAY, MARCH 10TH:

12 noon Tennessee Beef Agribition Sale

Tennessee Beef Agribition Junior Heifer & Steer Show

Sunday, March 11, 2012 - 9:00 a.m.

An open to the world junior heifer and steer show will be held in conjunction with the 26th Annual Tennessee Beef Agribition. The Agribition is held at the James E. Ward Agricultural Center in Lebanon, Tennessee. The junior show will start with steers followed by heifers. Two rings of heifers will show at the same time, and breeds will not be rotated.

The rules for the event are as follows:

1. Breed association rules for junior shows will apply to each respective breed.
2. No pre-entry is required. Entry forms will be available Friday and Saturday.
3. Due to limited parking facilities, all trailers must be parked in the designated parking area. Junior cattle will not be allowed in the barns until 5:00 p.m. on Friday, March 11th. On Friday, Junior cattle will only be allowed in the barn where Friday sale cattle are stalled. On Saturday, Junior cattle will be allowed in the stalls when sales are completed and sale cattle are removed.
4. All junior cattle should be on the grounds and processed by 5:00 p.m. on Saturday, March 12th. Heifers and steers will be processed Saturday from 2:00 until 5:00 p.m.
5. * **There will be a \$20 per head entry fee at the 2012 event.** * All classes will be placed through fifth place, and premiums will be paid for 1st - 5th. 6. Heifer and steer breed shows will be available for the following breeds: Angus, Charolais, Chianina/Chiangus, Gelbvieh, Hereford, Limousin, Polled Hereford, Shorthorn and Simmental. Breed rotation will be Z to A (Simmental, Shorthorn... will show first). Any breed having a sale will qualify to have a junior breed show.
7. All other breeds (AOB), including commercial heifers and cross-bred steers will compete in AOB classes. AOB heifers will show by weight.
8. **Heifers eligible to show must be born on or after September 1, 2010.** Heifer classes will be based on the futurity system and will be determined after all entries are made. Steers will show by breed with classes determined by weight.
9. Heifers (born on or after 09/01/10) purchased in any of the Agribition sales will be eligible to compete in the Junior Show.
Check the respective breed catalog to see if percentage cattle show as AOB.

Polled Looking for a really nice young bull packed with powerful genetics? Check out this one! By the up and coming new sire, First Choice, and out of a known daughter of Dunbeacon Venture (the King Cow Maker) this bull combines the power of the Desert Rose/T90 and Dolly/3D cow families with the Canadian genetics of Helena Dottie and the Australian sire, Super Dazzler. All this wrapped in the attractively colored, sound, muscular package.

Polled. This is a very stylish, thick, feminine prospect that has impressed everyone since birth. We believe she will be very competitive in the show ring, but more importantly she will be a tremendous brood cow. Belinda 51 offers a new genetic package, being 1/2 Australian provides a world of genetic opportunity, when she is mated to the bull of your choice. Jarrett showed her full sister in 2011 with a lot of success and we believe 51 is the better one. In fact the other two heifers we showed were out of Belinda 96. The only reason we are selling 51 is that we have her dam and three sisters in our herd. CHV. TH/PHA Free.

Polled. A very attractive sale spotlight. The Gold Rose cattle are known for their maternal values. We are confident 141 will be a dazzling show heifer and develop into an outstanding brood cow. Style, balance, muscle and easy fleshing best describe this beautiful young heifer. This calf is sired by a great breeding bull, CC Dazzle Solution, which also sired the 2011 Agribition Grand Champion Heifer for us. Sound performance in this package. CHV. TH/PHA Free by pedigree.

ShorthornPlus. Polled. This heifer is a sweetheart. She has a great disposition and will be perfect for the first time junior showman. Her fancy profile and overall smoothness makes for a great heifer. ShorthornPlus is taking off across the country and this heifer will make a great female to start your Plus program with. Her sire is Angus and her dam is Shorthorn.

Polled. Looking for cow prospects backed by great genetics? These 3/4 sib heifers by the up and coming new sire, First Choice and out of Dunbeacon Venture (the King Cow Maker) daughters, both combine the Canadian genetics of Helena Dottie with those of the Desert Rose/T90 and Dolly/3D cow families. One adds the the Princess Val bloodline, the other another does of T90/Lexus. Choice is yours - or add them both to your herd!

Selling the rights to one flush or split two flushes with a guarantee of six freezable embryos. She is open and ready to flush. Half down at time of sale and half upon completion of flush. Work to be performed at Professional Embryo Services, Franklin, KY.

Horned. Anna Belle is a tank. This is an outstanding full Irish female that has worked well when crossed with full Irish bulls and also with modern genetics like CF Primo. She is an easy keeping female with a lot of depth of body that has a great udder for a coming 13-year-old. I would like to have a field full of females like this. She's nursing an outstanding January heifer calf by CF Primo.
